How to Access Food

Access to Childcare

Child Needs or Services

Prenatal

Healthcare & Mental Health Services

Substance Abuse Treatment

Aftercare Coaching

Access to Utility Assistance

Vital Documents

"I think the best way to describe my experience was almost like talking to a relative. I felt she is a very empathetic and relatable caseworker. I felt like she was speaking to me on my level and not above me."

-Participant

FAMILY STRENGTHENING

- Parenting and life skills coaching
- Aftercare coaching to help heal from trauma
- Child abuse & neglect prevention
- No time limit to services

90% of participants reported that they felt comfortable talking to the Navigator about their families' needs.

"This support came at a critical time.

I find a lot of assistance doesn't help
until you're already in crisis and I was
so relieved to be able to avoid that."

-Participant

86% of participants reported that the items they received helped their family stay out of crisis.

PROTECTIVE FACTORS

Protective factors help 'ohana feel nurtured, stay informed, build social connections, maintain resilience, and access resources when needed.
